NATIONAL AUTOCLAVE

Perfect Sterilization

Low Price

No. 255, National Autoclave. STERILIZES perfectly as a circulating device, insures a uniform distribution of hot, dry steam under any required pressure.

LOW PRICE because they are made in very large quantities and of steel instead of copper.

DURABLE because they are made of heavy steel boiler plate and heavy castings and contain no delicate parts.

Supplied with gas or gasoline burner or steam coil at the same price.

Where combination of steam and gas or gasoline is required, $5.00 extra.

No. 255-A	1350 cu. in.	$ 60.00
